

ÜZBL

"The most 'usable' classroom cases"

MAG FOLIO

FOR IPAD 10TH GEN 10.9"

EDGE-TO-EDGE PROTECTION

7 MAGNETIC ANGLES

ASSET TAG WINDOWS

AIR CELL EDGES

Generously thick, double-layered TPU that envelops each corner and edge of the iPad, with curved edges designed to provide additional cushioning against impacts. It has been rigorously drop tested and certified by SGS labs.

APPLE EDU CERTIFIED

Chosen by Apple Education for K-12 iPad Safeguarding, ÜZBL partners with Apple EDU to craft specialized cases tailored for the educational environment.

CHOOSE YOU ANGLE

Meticulously designed to enhance your iPad experience while maintaining uncompromising drop protection, the Mag Folio's cover serves as a versatile stabilizing base when open with 7+ angles to choose from.

ÜZBL

"The most 'usable' classroom cases"

GROOVE FOLIO

FOR IPAD 10TH GEN 10.9"

COMPLETE PROTECTION

AIR CELL EDGES

Incorporated air pockets that act as a shock absorber into each corner of the case. This design element, conceived over a decade ago for our original cases

REMOVABLE COVER

APPLE EDU CERTIFIED

Chosen by Apple Education for K-12 iPad Safeguarding, ÜZBL partners with Apple EDU to craft specialized cases tailored for the educational environment.

MAGNETIC STAND

SLIDE OFF COVER

Innovative cover that can be detached from the case. Remove the cover by taking out the iPad from the Groove Folio, detach the cover, and then reinsert the iPad.
