# RUGGED CASE

## FOR SAMSUNG GALAXY TAB 10.5

### SCREEN PROTECTOR

### SCREEN PROTECTION

Adhered onto the case's bezel, the built-in screen protector sits flush against the Galaxy, dispersing the shock from drops from damaging the screen.

### KICKSTAND + STRAP

### 360 KICKSTAND

Conventional kickstands tend to scatter pins and parts when they fail. The Rugged Case's wide kickstand does not. Instead of breaking upon impact, it neatly folds back into position.

### MAXIMUM PROTECTION

### RUGGED EXTERIOR

A fusion of advanced shock-absorbing materials and a robust polycarbonate shell encase the entire Galaxy device, providing reliable drop protection from heights of 5 feet and beyond.
