SHOCKWAVE V2

FOR IPAD 9/8/7th GEN 10.2"

SCREEN PROTECTOR

SCREEN PROTECTION

Adhered onto the ShockWave case's bezel, the built-in screen protector sits flush against the iPad, dispersing the shock from drops from damaging the iPads screen.

WIDE KICKSTAND

REMOVABLE KICKSTAND

Conventional kickstands tend to scatter pins and parts when they fail. The ShockWave's wide kickstand does not. Instead of breaking upon impact, it neatly folds back into position.

MAXIMUM PROTECTION

SILICONE EXTERIOR

Meticulously crafted to serve as our top-tier flagship iPad case. Unlike the commonly used thin and inexpensive polycarbonate plastic, we opted for a silicone exterior for durability.
